Got Your Dog Licence?

We have word from Constable Gibault of the Provincial Police stationed in Sidney that after the end of this week anyone owning a dog without a licence will be prosecuted. All owners of dogs will be wise to check up and obtain a licence for their pet pooch before that date and thus avoid court action.

CARAVAN IN DISTRICT ON FRIDAY NEXT

The Bundles for Britain Caravan will again visit North Saanich on Friday, Oct. 17th.

Parcels of good used clothing may be left at the Red Cross centres throughout the district at the Farmers' Pavilion, Wesley Hall and the rooms on Third Street, where the caravan will call and collect the articles.

Early in March the caravan, operated by the Women's Service Corps, commenced its tour of the island and the lower mainland to collect good used clothing for air raid victims of Great Britain. Since that time several trips have been made to Sidney and residents have responded to the appeal and now as the caravan returns again it is hoped that the people will rise to the occasion and give towards this collection in supplying clothes for "bombed out" people of Britain.

Clearing centre headquarters are established at 351 Bastion St., Victoria, under the direction of Mrs. A. H. Pease.

Liberal Candidate In Nanaimo-Islands

GEORGE S. PEARSON

Reports reaching the Review office are to the effect that Mr. Pearson is being well received in the islands. We are not surprised at this for George has a jovial disposition and is a hustler.

We regret we have not a picture of Mr. Harrison, the Conservative candidate, or of Mr. O'Connor, the C.C.F. candidate, running in the same riding as Mr. Pearson.

Harvest Festival At St. George's, Ganges

GANGES, Oct. 15.—The Harvest Festival was held last Sunday at St. George's Church, Ganges, Archdeacon G. H. Holmes, vicar of the parish, taking the service and preaching.

The church was beautifully decorated with autumn flowers and fruit, chrysanthemums being used for the altar.

A special hymn to commemorate the opening of the church one year ago, was sung by the congregation.

Mr. C. H. Trafford was at the organ.

Macintosh Urges All Voters To Vote!

As we are about to go to press Lt.-Col. Macgregor Macintosh appears on the scene and to our interrogation: "Well, Mac," have you a word or two to say in the last issue of the Review before the election?" he replied, "Yes, just a few words. I wish to take the opportunity in this issue of the Review to remind all voters that it is their duty to register their vote on election day, October 21st. The boys are overseas to fight for our freedom of speech, our right to vote — we must back them up."

Col. Macintosh expressed thanks to the people of Saanich for the kindness and consideration shown his wife and himself during the present election campaign.

Auxiliary To Legion To Meet Monday

All members of the Women's Auxiliary to the North Saanich Branch, Canadian Legion, are urged to attend the meeting at the home of Mrs. E. I. Jones, Patricia Bay, Monday afternoon, Oct. 20th, at 2:30. Important business regarding parcels to be sent to men in His Majesty's Forces, and arrangements for Remembrance Day, will be made.

POLITICAL MEETINGS

This is a quiet election — so quiet that it is bewildering. It is difficult to decide whether the voters are indifferent or otherwise.

Meetings, according to reports, are not very well attended. However it is reported Mr. Pearson had a good turnout at his meeting at Fulford on Monday night and again last night at Ganges. At Fulford about 60 gathered to meet the Hon. Mr. Pearson and Mr. Macintosh and Mr. Cornish, on behalf of the C.C.F., asked Mr. Pearson a few questions, which were understood were satisfactorily answered.

The Conservative and C.C.F. candidates have also held meetings throughout the islands.

In the Saanich riding all parties have had a series of meetings throughout the district, some well attended, others very poorly attended.

Both the Liberal and Conservative candidates were members in the last House, the Liberal for Saanich and the Conservative for the Islands, but with the doing away of the Islands riding Macintosh threw his hat in the ring in the Saanich area and is in the contest against Norman W. Whittaker, Liberal.

The war, no doubt, has put a damper on any outburst of enthusiasm. All parties show eagerness to assist the war effort.

Excellent Display Of Work For Red Cross

Many availed themselves of the opportunity last Wednesday afternoon, Oct. 15th, to see the excellent display of work accomplished by the Red Cross workers of North Saanich at the Red Cross rooms, Third Street, Sidney.

Articles on view were ready for dispatch to the headquarters in Victoria and gave an excellent conception of what is being accomplished in the work rooms of this district for the Red Cross.

The babies' wear section was most interesting, every article necessary to the infants' comfort had been thought of, including complete layettes, and all as neatly done as if bought from the display shelves of a department store.

Beautifully knitted sweaters, socks, mitts, helmets, scarves, etc., were on view, also pyjamas, kimono's, hospital jackets, surgeon's gowns, etc., for use in the hospital.

Among the many articles for relief work were women's and children's garments, including coats, dresses, ladies' slips, night gowns, pyjamas and children's wear of all kinds.

Excellent workmanship in knitting and sewing was revealed in these beautifully made articles.

HARRISON CONSERVATIVE CANDIDATE

The Conservative candidate for Nanaimo and the Islands is V. B. Harrison, who has been mayor of Nanaimo for six consecutive terms. The Nanaimo riding now takes in the Gulf Islands which with North Saanich has for years been a separate constituency, and North Saanich is now a part of the Saanich riding.

Lt.-Col. Macgregor Macintosh was the member for the old Islands riding and is now Conservative candidate in Saanich, while Mayor Harrison of Nanaimo is contesting Nanaimo and the Islands in the interests of the Conservative party.

Mr. Harrison's term of office as Mayor of Nanaimo should be worthy of note as to character and ability for public office. We understand that when he came before the electorate he promised three things:

1. To bring an ample supply of fresh water to Nanaimo;
 2. To refund or refund a loan of \$145,000 borrowed at five percent from the Workmen's Compensation Board in Vancouver and payable in New York and London, which caused a very heavy excess expenditure by reason of the international rate of exchange;
 3. To prevent the civic mill rate from rising.

Pictures At School On Thursday Evening

On Thursday evening, Oct. 16th, at the North Saanich Consolidated High School auditorium Major C. C. Wilson will give a travelogue on India. The speaker has spent many years in this interesting and important part of the world and during his stay there amassed a wealth of information about the plants, animals and people, so that he is able to supplement his moving pictures with many interesting anecdotes.

The entire proceeds are to be donated to the "Ranger Wilson Warplane Fund." Auditing and sponsoring this fund is a committee composed of such well known people as Mr. Nellie McGlone, Herbert Anson, etc. The fund has been approved by the government at Ottawa, so that those contemplating visiting the school on Thursday evening will have the satisfaction of knowing that as well as receiving good entertainment value they will be assisting Canada's war effort. Details in Coming Events.

INTERESTING TALK ABOUT THE PRAIRIES

GANGES, Oct. 15.—The regular monthly meeting of the Salt Spring Branch of the Woman's Auxiliary took place last Friday afternoon in Ganges Inn, Mrs. H. Macintosh presiding.

An old member, Mrs. S. P. Beech, was welcomed back to the organization. Routine business was dealt with, the treasurer's report showing \$35.56 on hand.

Archdeacon G. H. Holmes, vicar of the parish, addressed the members, his subject being the progress of the Diocese of Saskatchewan, originally an Indian mission field. He gave a perfect description of the growth of that part of Canada and spoke of the influx of white settlers and the hardships, including weather conditions, encountered by the newcomers; they took to a more northern part of the province after leaving the prairies and the great difficulties of maintaining relationship with the church. To prove the wonderful advance made during the eight years the speaker had spent in the diocese he stated that he had witnessed the building of 33 Anglican churches.

A very hearty vote of thanks was passed to the vicar for his most interesting and instructive talk on the Diocese of Saskatchewan.

In continuing the business on hand, it was announced that the annual meeting would be held in Ganges Inn on Friday, Nov. 14th.

Mrs. H. Johnson was requested and agreed to make the wreath for Remembrance Day.

The sum of \$2.50 was voted to the Columbia West Coast Christmas Cheer Fund.

Nominations were made for officers to be elected at the annual meeting.

A small stall, presided over by Mrs. W. Palmer, netted \$5.25 for the funds.

Tea was served at the conclusion of the meeting.

Dance Proceeds Will Aid War Work

Members of the Endeavour Chapter, I.O.D.E., excelled as hostesses at their fall dance on Friday, Oct. 10th, which proved a social and financial success.

The Agricultural Hall, Saanich-ton, was effectively decorated with streamers in autumn colors and baskets of fall flowers were artistically arranged through the hall. A band from Work Point Barracks furnished the music for the evening. It had been announced that the R.C.A.F. Orchestra would supply the music but owing to it being ordered to Prince Rupert the band from Victoria substituted and delighted those present.

Proceeds from this dance will augment the funds of the chapter to enable the excellent war work being accomplished by the members to be continued.

A free people must INVEST in its own FREEDOM

A Message FROM THE WAR SAVINGS COMMITTEE, OTTAWA

The people of Canada are the most fortunate in the world.

Fortunate in the great sweep of space that is ours from ocean to ocean.

Fortunate in the vast yield of immense resources of our forests, fields and mines.

Fortunate, too, in our democratic institutions.

In a word, fortunate in our freedom. This freedom is threatened today as it has never been threatened before.

The fall of the British Empire would mean complete dislocation of our unfettered way of life.

Everyone wants this way of life defended—this freedom saved—for our own future and for posterity. The response to every appeal for our defence has been magnificent—heartening to the whole Empire—alarming to Hitler.

But the need for weapons of war grows ever more urgent, as the Nazi threat spreads wider over the world.

The help of every Canadian is needed for Victory.

In these days of war the thoughtless, selfish spender is a traitor to our war effort.

A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us.

Invest in War Savings Certificates the dollars you don't need to spend. After Victory, they come back to you with interest. Spend less NOW so that you can spend more THEN, when labour and materials will be available for the things you need.

There is no price too high for freedom.

Four Simple Regular Methods of Saving

PAYROLL SAVINGS PLAN—For salary and wage earners. The employee simply signs a Payroll Savings Pledge, turns it in to his pay office, and his employer deducts the pledged amount regularly from his pay.

BANK PLEDGE PLAN—Convenient for business men and women, and others not on a payroll. Simply sign a War Savings Bank Pledge and give it to your bank. The bank will make monthly deductions from your account.

WAR SAVINGS STAMPS—A handy instalment plan. Stamp folders may be obtained from Post Offices, Banks and many retail outlets. To stamps will buy one \$1 Certificate, worth \$5 at maturity.

RURAL SAVINGS PLAN—Farmers in receipt of regular payments from co-operatives, creameries, cheese factories, etc., can authorize deductions of any desired amount regularly out of each cheque. Use the Rural Pledge Card.

SUPPORT THE WAR WEAPONS DRIVE IN YOUR COMMUNITY

Every town and city in Canada will soon conduct a War Weapons Drive. You will be asked to put all you've got behind the campaign in your community. Canada must provide more planes, more ships, more tanks, more guns, more shells. If you are already buying War Savings Certificates—raise your pledge. If you are not, get your dollars working for Victory.

SPEND LESS—TO BUY MORE WAR SAVINGS CERTIFICATES
